All,

Here is an accounting and tax specialist role at Grosser & Company - see attached JD and please send resumes to accou...@grossercpa.com if you apply.

Thanks!

Lew

Grosser & Company LLC

Seeking an experienced tax professional for a next generation accounting and tax firm. The ideal candidate will have 5 or more years of experience in tax preparation for 1040s, 1120s, 1065s, and 990s.

We work primarily with service-based small businesses, real estate investors, and high net worth tax payers on tax planning and accounting.

Must be able to multi-task and complete tax projects accurately and quickly. We use the ThomsonReuters suite of tax and accounting solutions: UltraTax, Practice CS, Fixed Assets, and Accounting CS. We work collaboratively on projects and offer both accounting and tax solutions for clients. You would be assigned to client files and asked to work on a Trial Balance, making journal entries to tie back to tax basis, and complete monthly bookkeeping projects for a handful of clients. We would prefer a candidate who is QuickBooks Certified and very comfortable in an accounting firm setting where the majority of the work completed is billable time to outside clients.

PLEASE SUBMIT A COVER LETTER with your resume and tell us which tax and accounting programs you've used.

NO RELOCATION OFFERED. You must be able to work full-time in the South Denver Metro area.

We work with a variety of service based companies in Healthcare, Real Estate Management, Construction, and Professional Services.

Required Skills: Tax Preparation, Tax Planning, Accounting, Bookkeeping

Our Firm offers competitive pay, flexible hours, and a fun work environment. You would have a private office and a team of experienced professionals to work with on the most challenging projects. Opportunities for advancement.

Job Type: Full-time

Job Location:

- Aurora, CO

Required education:

- Bachelor's

Required experience:

- Tax: 2 years
- Accounting: 2 years
