Kurtz Fargo is a growth oriented, entrepreneurial, high-performance environment. We work with emerging growth businesses where issues are complex and constantly changing. Therefore, our team members are high achievers who enjoy working in this environment. We look for team members who will enjoy working in our network and our entrepreneurial community. Our network includes venture capital, private equity, angel investors, accelerators, corporate attorneys, bankers, start-ups and more.

We are seeking an experienced Tax Manager who has an entrepreneurial spirit and knows how to get things done. We need someone who will be laser focused on execution for an optimized end result. This person must be willing to consult internally and externally to solve problems and be motivated to think outside the box to find solutions. It is critical to be able to work well in a team environment and to be able to give and receive coaching. The Tax Manager must not just enjoy, but love interacting with clients and team members.
