Thanks!

Lew

Career advancement, a competitive compensation package, full benefits and 401k match make this role highly attractive for the right candidate. Most importantly, the firm is seeking someone who is willing and eager to become Partner with the firm. The CPA firm works with high net worth clients, as well as small – mid size companies.

Professional Perspectives is seeking a dynamic Sr. Tax Associate to optimize the financial performance of business operations, tax strategy and business strategy. Our CPA firm delivers integrated wealth advisory, outsourcing and public accounting capabilities to help enhance our clients' enterprise value and assist them in growing and managing their related personal asset. State, Local and Federal Tax Services make up the business offering for the core Tax responsibilities of this vacancy.

One of the benefits of being aligned with our clients firm is that you will have the technical proficiency and connectivity to address client issues, as well as develop as well-rounded, quality-focused tax professionals. As a member of the core Tax practice, you will have the combination of deep tax knowledge and a sophisticated understanding of business drivers to serve your clients to the best of your ability.

We currently have a career opportunity for a Tax Senior and Tax Associate in our Federal, State and Local Tax practice. We provide clients with tax guidance and planning related to working capital and long-term assets, as well as legislative analysis in the area of tax policy. Our people work on key client issues in domestic federal taxation, with a focus on implementing tax strategies that align with the client's business objectives and core values.

Responsibilities
- Contribute to client satisfaction by providing clients with quality, timely and responsive services and work products.
- Demonstrate an understanding of increasingly complex tax concepts. Discuss moderately complex tax issues with the engagement team and client management. Keep informed of current tax developments and effectively apply tax knowledge to client situations.
- Thoroughly and accurately analyze information. Prepare practical and effective approaches to the client's tax situation and arrive at appropriate conclusions. Share ideas with others. Participate in and contribute to achieving team goals. Assist in the development of recommendations and implementation plans and assist in making quality decisions in complex areas.

To qualify, candidates must have:
· a bachelor's degree and approximately 2 years of related work experience; or a graduate degree and approximately 1-2 years of related work experience
· experience in a professional services environment preferred
· a CPA and/or LLM certification
· broad exposure to federal income taxation
· excellent supervisory, organizational, and verbal/written communication skills
· PC proficiency
